

It was you who formed my inward parts;
you knit me together in my mother's womb.
(Psalm 139)

Baby Loss Awareness Week 2021 ran from 9th to 15th October, ending on 15th October at 7pm with a 'Wave of Light', as people lit candles to remember the lives lost. At Holy Trinity, we lit candles to create our own Wave of Light, and were open for anyone to pop in to remember their own experiences or those of people close to them and, if they wanted, to write a name or a date on our tree of remembrance.

For more support:

SANDS, the Stillborn and Neonatal Death charity provides bereavement support services through its free helpline (0808 164 3332), mobile app (sands.org.uk/app) and online community (sands.community).
